Subject: Issue paper and NON

Good morning Cheryl. Stacie sent me your comments which I incorporated into the attached documents. Also, they are in the LCD share drive in the PA Beneficial Use file of the PCBs folder. Let me know if you have questions or additional editing. Best regards

I also set up a meeting for us four to discuss on Monday to make sure we have captured everything we want to say, then another meeting on Wednesday with Harry and us to make sure we have captured what he wants to say.
